CATALOGUE HOMME AUTOMNE/ HIVER 2023

Minimal et doux, il aime l'épure des années 90. Il porte des costumes au boutonnage simple en teintes automnales, de marron ou de brun. Mocassins en cuir ou boots d'inspiration militaire aux pieds, il insuffle à ses silhouettes formalisme et décontraction. Cachemire, yak et laine bouillie, bombardier en shearling, cardigan et polo en maille, il se compose un vestiaire de pièces signatures. Les matières sont duveteuses. Les teintes sont douces.

Il opte pour l'élégance classique du beige, mais ose des touches plus nerveuses : imprimé flammes et trench coat extra long en cuir noir. New York l'inspire. Il en ramène une palette de couleurs mastic qu'il décline sur les pièces plein hiver. Il puise dans la culture 90's des pièces aux teintes acides et pastel et des logos plastifiés. Il ressort des ensembles jogging 70's. Habitué à traverser les époques, il explore les codes esthétiques de sa jeunesse.

FALL / WINTER 2023 MEN CATALOGUE

For the Fall/Winter 2023 season, the SANDRO man renews the codes of dressing. Minimal and soft, he likes the autumnal shades of brown or maroon. With leather loafers or military-inspired boots on his feet, he infuses his silhouettes with formality and casualness. Cashmere, yak, and boiled wool, shearling bomber, cardigan and knitted polo, he creates a wardrobe of signature pieces. The materials are fluffy and the colours are soft.

He opts for the classic elegance of beige but dares to add more edgy touches: flame prints and an extra-long black leather trench coat. New York inspires him. He brings back a palette of putty colours he uses on the the most wintry pieces. He draws on 90's culture for pieces in acid and pastel colours, or with laminated logos. He also brings out 70's jogging suits. Used to crossing ages, he explores the aesthetic codes of his youth. blueprint of the 90's. He wears single-breasted suits in
